Northeastern University

RunCircle

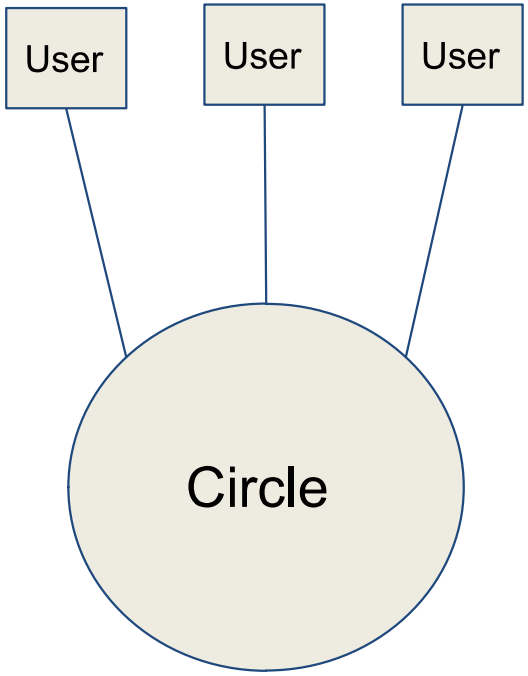
CS5200: Database Management Systems

Magnus Frennberg, Kenji Fujita, Fergus Scott

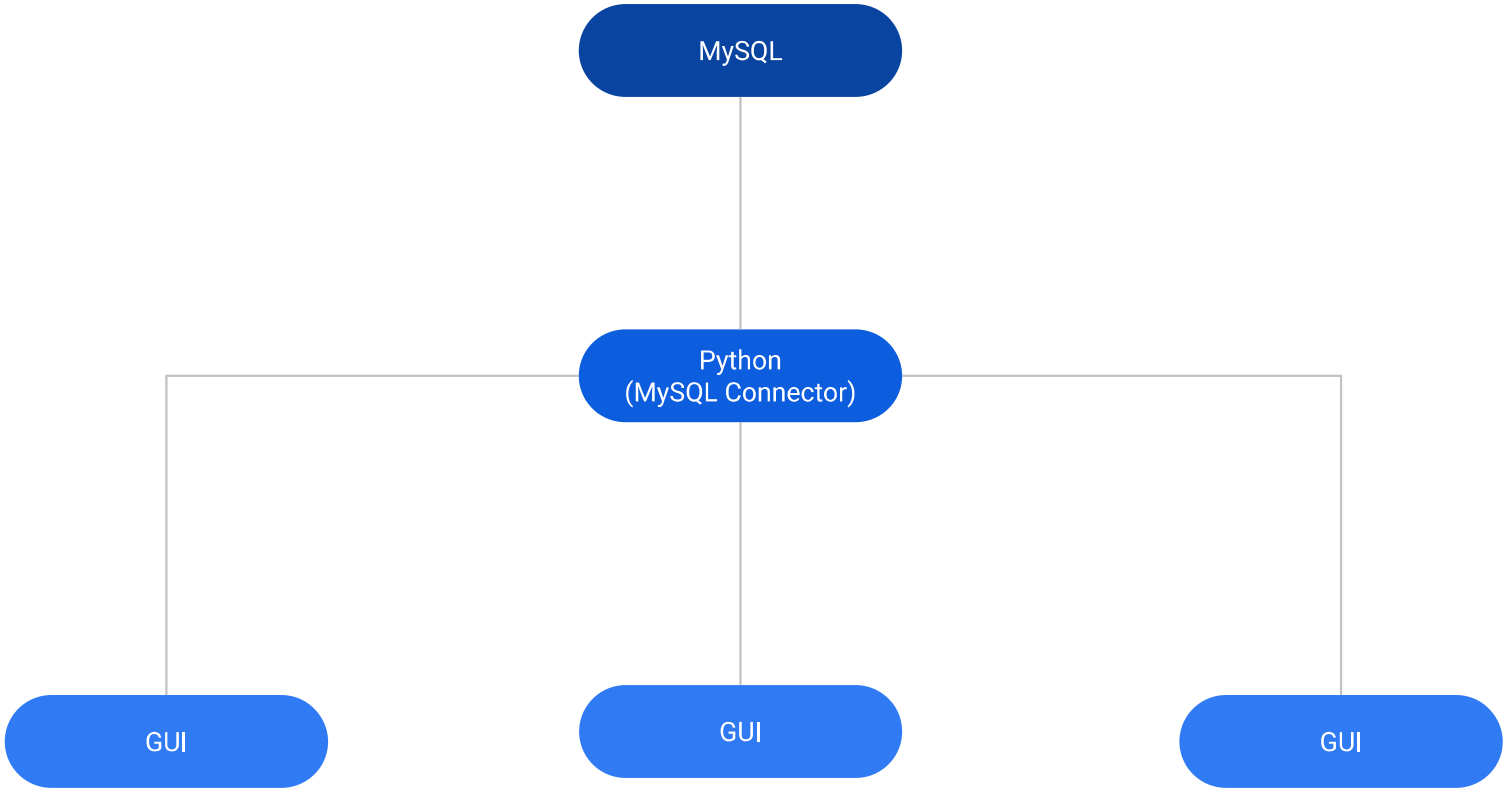
Origins of RunCircle

- Running with other people is significantly more enjoyable than running alone
- Running clubs can often be intimidating to outsiders and logistically difficult to navigate.
- RunCircle gives you the flexibility to run with people your own level, in your own neighbourhood.

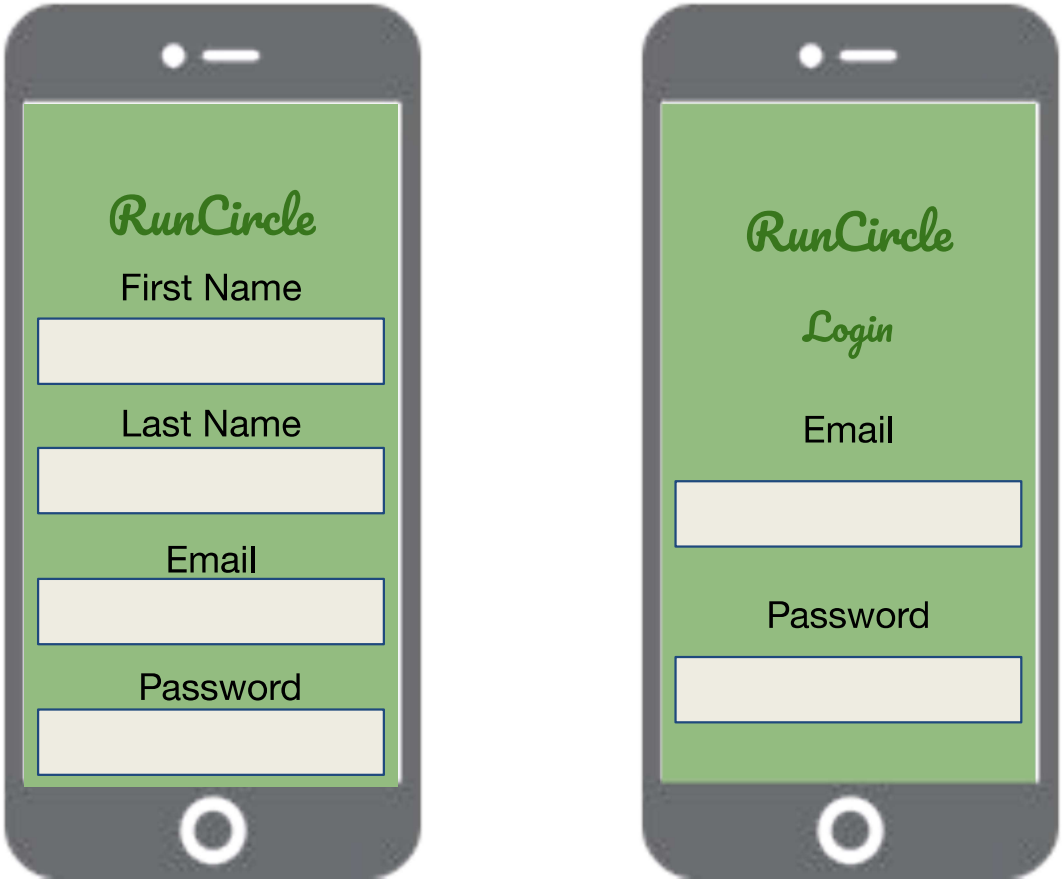
Uniqueness of RunCircle



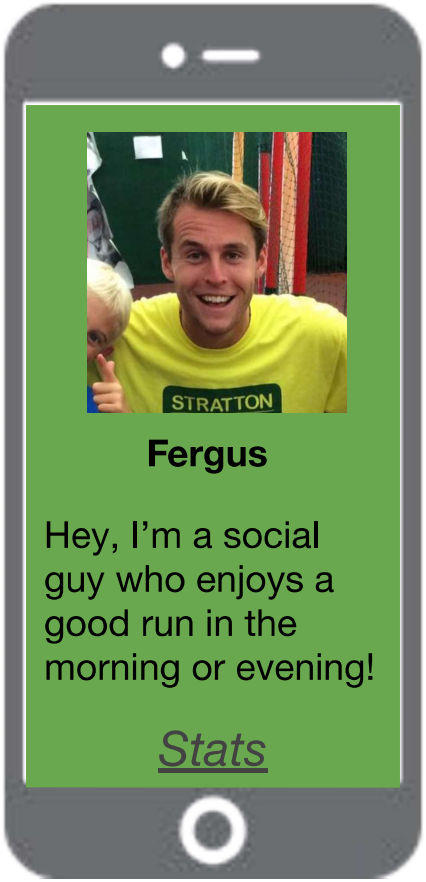
Application Architecture

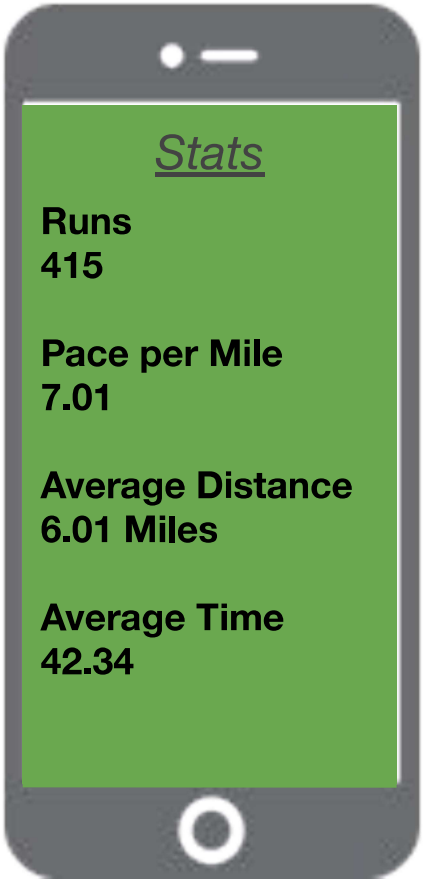


Registration and Login

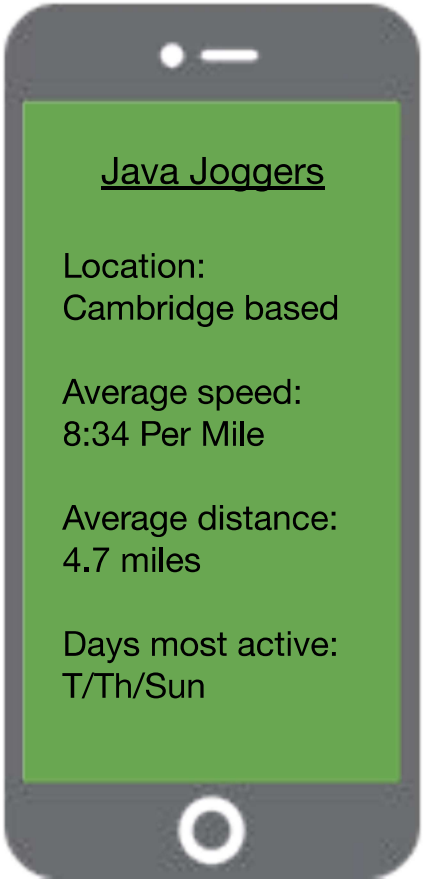


Individual Run & Social Media Aspect





Finding friends and Circles



Friends timeline and Circles
